For example, if you think 'The equality of women and men' is the most important for the world, then place a "1" in that box. After you are done, you can share your ideas with the class. If there is one that you don't agree with place an "X" in the box beside it.

- A world language
- A world police force
- A world currency
- End poverty in the world
- Education for all
- Elimination of prejudice
- The equality of women and men
