Date:

Bahá'ís believe that we are all made in the image of God and that the light of God shines through everyone.

Bahá'u'lláh said, "Thou art My lamp and My light is in Thee."

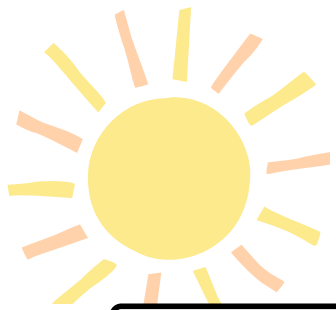

In the video, it says:

- Just as God is the Creator, we can be creative
- Just as God is All-Knowing, we can know things
- Just as God is All-Loving, we can love each other

Draw a picture of how someone could practise each of these three attributes of God: creativity, learning, and being loving/kind.
