Bahá'ís believe that we are all made in the image of God and that the light of God shines through everyone.

Bahá'u'lláh said, "Thou art My lamp and My light is in Thee."

In the video, it says:

- Just as God is the Creator, we can be creative
- Just as God is All-Knowing, we can know things
- Just as God is All-Loving, we can love each other

Look at the picture of the prism and pick 3 of the attributes of God that are shown. Draw and explain how someone could practise these attributes.
